

AHMAD ANAS P S

Cybersecurity Analyst | AI/ML Engineer | Python Developer

+91-9489430023 | ahmadanas10504@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Computer Science (Cybersecurity) student with hands-on experience building and deploying AI-driven security and automation systems. Worked across ethical hacking, ML-based detection, and Python web applications through internships, hackathons, and real projects. Comfortable turning ideas into working systems, not just prototypes. Seeking a cybersecurity analyst or AI/ML engineer role to apply expertise in penetration testing, natural language processing (NLP), and secure software development.

EDUCATION

B.E. in Computer Science and Engineering (Cybersecurity)

2024 – 2028

St. Joseph's College of Engineering, Chennai

CGPA: 8.14 | Expected Graduation: May 2028

TECHNICAL SKILLS

Languages: Python, C, Java

AI and ML: Scikit-Learn, Natural Language Processing (NLP), XGBoost, Random Forest, RoBERTa, Legal-BERT, Regression, Classification, Clustering, Numpy

Frameworks: Flask, FastAPI, Rasa Chatbot Framework, Streamlit

Tools and Platforms: Git, GitHub, Postman, Redis, PostgreSQL, Supabase, Visual Studio Code, Linux, Raspberry Pi, Whisper, spaCy, OCR

Soft Skills: Problem Solving, Critical Thinking, Teamwork, Communication, Analytical Thinking

EXPERIENCE

AI Intern – amasQis.ai

Jun 2025 – Present | Remote

- Working on **AIML-driven solutions**

AIML Intern – Big Bucks Innovation

Dec 2025 – Dec 2025 | Chennai

- Built and deployed an AI-based ATS resume screening system and Assessment and Automatic mail sending.
- Gained hands-on experience in AIML model development, Regression, Classification, Clustering, NLP based text analysis, and deploying ML pipelines in real-world applications.

Cybersecurity Intern – Cappricio Securies

Jun 2025 – July 2025 | Chennai

- Built a **Raspberry Pi-based cybersecurity project** to simulate real-world attack scenarios.
- Gained practical knowledge in **bug bounty hunting**, **SQL injection testing**, and **secure coding practices**

Cybersecurity Intern – Edunet Foundation | VOIS For Tech Program

Dec 2025 – Jan 2026 | Remote

- Worked on cybersecurity and Generative AI concepts including Wireshark analysis, social engineering, network security.
- Developed projects such as AI-Based Network Intrusion Detection System and Keylogger Detection System during the internship period.

PROJECTS

Multimodal AI-Driven Real-Time Phishing Detection System | [GITHUB](#)

2025

Built a real-time phishing detection system to detect malicious URLs, emails, and SMS attacks. Developed a browser extension with AI-based threat analysis and multi-layer phishing prevention.

HydroShield AI – Smart Water Quality and Disease Prediction Platform | [GITHUB](#)

2025

Developed an AI-based water quality monitoring and disease prediction platform with real-time dashboard visualisation.

ContractIQ – AI-Powered Contract Analysis Platform | [GITHUB](#)

2026

Developed an AI-powered contract analysis platform for clause classification, deviation detection, and legal entity extraction.

VoiceServe AI – Multimodal AI Welfare Assistant | [GITHUB](#)

2026

Developed a multimodal AI assistant to process text, voice, and image inputs for automated welfare-service assistance.

AI-Powered Real-Time Network Intrusion Detection System | [GITHUB](#)

2026

Built an AI-based Network Intrusion Detection System for real-time traffic monitoring and anomaly detection.

ACHIEVEMENTS AND CERTIFICATIONS

- Finalist in 2 national hackathons and 2 college-level hackathons; secured 7th position nationally at the Mechovate National Level Hackathon (200+ participants).
- Received a Certificate of Excellence at the Hack-O-Hertz Hackathon and received an appreciation certificate from Thoothukudi District Police for an innovative AI-powered public safety solution.
- Certifications: IBM Deep Learning, IBM Machine Learning Basics, NPTEL Python for Data Science (Elite Grade), NPTEL Data Base Management System (Elite Grade), Diploma in C Programming, Google Cybersecurity Professional Certificate (in progress).
- Completed Typewriting Lower Examination with First Class Distinction.
